

Subject: Notification of Discontinuation, PCMC series

P/N	PCMC042T series (4.15 X4.0X1.8mm) PCMC053T series (4.70X4.85X1.6mm) PCMC063T series (6.60X6.95X2.8mm) PCMC104T series (10.0X11.0X3.8mm) PCMC135T series (12.6X13.45X4.8mm) PCMC133E series (12.6X13.45X3.3mm)	Category	Power Choke Coils
Effective Date	LAST TIME BUY : August 31, 2012 LAST TIME SHIPMENT : September 30, 2012		
Reason for Change	Since to provide much better services and quality from PCMC series, we offer PCMB series that can replace the PCMC series with equivalent size and near equivalent electrical characteristics. In this series, the iron powder has been replaced with stainless powdered whose quality is more consistent than iron powdered and this update as a minor modification which will be considered low risk.		

Replacement P/N	PCMC042T series → PCMB042T series PCMC053T series → PCMB053T series PCMC063T series → PCMB063T series PCMC104T series → PCMB104T series PCMC135T series → PCMB135T series PCMC133E series → PCMB133E series
Effective Date	Immediately with transition completed Sep 1 st , 2012
