To schedule the last time buy quantity we expect to receive within 60 days of delivery of the PTN the required last time buy quantity to ensure product availability. According to the JEDEC-Standard JESD48B we allow a period of 6 months from the notice to place the final orders and 12 months from the notice for final shipments. For all orders of discontinued products (EOL) the non-cancelable and non-returnable (NCNR) procedure applies.

ALTERNATIVE PRODUCT/SOURCE:

Unfortunately, there is no direct 1:1 replacement for each part available.
We suggest to cross to our Multilayer Chip Varistor WE-VS series size 1206.
Using a new varistor in the application needs to be checked and released by customer.
