

PCN: V15-231-475316-0A

**Product Change Notice**  
**THIS CHANGE AFFECTS HERMETIC OPTOCOUPPLERS ONLY**

Issue Date: 09 July 2015  
HOC231  
CAGE Code 50434

**Change Type:**

Mosfet IC

**Parts Affected:**

HSSR-7110    HSSR-7110#100    HSSR-7110#200

HSSR-7110#300    HSSR-7110#600

**Description and Extent of Change:**

Avago Technologies has qualified a new Mosfet IC utilized in the above products, due to Vendor obsolescence of current Mosfet IC. No Change in Vendor

Qualification has been successful and approved. This change affects Commercial Grade products.

There are no data sheet parameters affected by this change.

**Reasons for Change:**

Vendor obsolescence.

**Effective Date of Change:**

Upon depletion of old Mosfet IC inventory.
